Letter from the Manager, The Mysore Chronicle, Bangalore, to the Traffic Manager, Mysore Railways Mysore.

I am so very sorry to find that we are not favoured with the advertisement sent from your office from Mr.S.K.Rajagopala Iyer to the Wealth of Mysore, etc. for publication, which I hope will be good enough to enquire and extend the order to us also.

Letter from the Manager, The Mysore Chronicle, Bangalore, to the Traffic Manager, Mysore Railways, Mysore.

We regret very much to note, that we are not favoured with the advertisements of the Mysore Railways although we are reminding the fact from a long time. This time too, we see that advertisement regarding the concession for Dasara Festivities is sent to all the Mysore State papers except ours. May we request you again to favour us the same and hope you will hereafter send us the same regularly.

May we request you to note the change in our above address in all your future correspondence.
